(ii) Cess - means any applicable cess, existing as on date or applicable in future on the supply of goods or services or both.

(iii) GST LAW - means IGST Act 2017, GST (Compensation to the States for Loss of Revenue) Act 2017, CGST Act 2017, SGST/ UTGST Act 2017 and all related ancillary legislations.

(B) The rates quoted by the Vendor shall be inclusive of all taxes, duties, levies and Cess except GST and compensation cess. Vendor has to clearly show the amount of GST/compensation cess separately in the Tax Invoices raised by them. Further, it is the responsibility of the Vendor to make all possible efforts to make their Accounting/IT system GST compliant in order to ensure timely availability of Input Tax Credit (ITC) to Jindal Steel Ltd..

(C) In case of variation (increase/decrease) in the rate of GST after the date of agreement, the said revised rate shall be reimbursed or recovered on production of relevant statutory documentary evidence. This provision shall be applicable only during the original period of contract. However, during the extended period of contract, if any, this provision shall be applicable as follows:

(i) If input tax credit (ITC) is available, the said revised rate shall be reimbursed or recovered.

(ii) In other cases (i.e. where input tax credit is not available), the said revised rate shall be reimbursed or recovered only if the reasons for extension of the contract is attributable to Jindal Steel Ltd..

(D) In cases where GST is leviable on any supplies / facilities provided by Jindal Steel Ltd. and used by Vendors and the consideration for which is recovered by Jindal Steel Ltd. in the form of reduction in the value of invoice raised by Vendor, then Jindal Steel Ltd. shall raise GST invoices on such transactions and the same will be borne by Vendors.

(E) Vendor agrees to do all things not limited to providing GST compliant invoices, debit notes, credit notes or other documentation as per GST law relating to the above supply, payment of taxes, timely filing of valid statutory returns / statements for the tax period on the Goods and Service Tax Portal etc. that may be necessary to match the invoice on GSTN common portal and enable Jindal Steel Ltd. to claim input tax credit in relation to any GST payable under this Agreement or in respect of any supply under this Agreement. GST charged on debit notes shall be reimbursed only if such debit notes are issued within the prescribed time limit for availing of credit.

(F) In the event Vendor issues a credit note to the Jindal Steel Ltd., such credit note shall include GST component only in circumstances set out under the GST law and upon mutual agreement between Vendor and Jindal Steel Ltd. Jindal Steel Ltd., of its discretion, may also withhold/recover such disputed amount from the pending payments of the Vendor.

The above action can be initiated even when the timelines / thresholds as prescribed by the Government in the GST law, rules, circulars, public announcements, etc. have been breached (e.g. Government portal does not allow filing of GSTR 1 statement if the periodic GST returns, GSTR 3B, are not filed for a prescribed period). In other words recovery from Jindal Steel Ltd. by the concerned Revenue / Government authority will not be a criteria to enable Jindal Steel Ltd. to withhold / recover such amount. Such amount can be withheld / recovered where it is visible or established that Vendor has breached / non-complied with the timelines under the GST law, rules, circular, public announcements, etc. which will disentitle Jindal Steel Ltd. to take ITC or delay the ITC, as the case may be.

(I) Vendor is required to pass on the benefit arising out of GST, including seamless flow of Input Tax Credit, reduction in Tax Rate on inputs as well as final goods by way of reduction of price.
